

I believe the
licenses of all
Sinclair
Broadcasting
television stations
such be pulled
because of their
blatant attempt to
use the publically
owned airwaves to
influence a
presidential
election in a
particular manner.
This is a clear
violation of their
responsibilities to
fairness. I
particular I wish to
reghister a
complaint against TV
station KDVR, CBS
13, West Sacramento,
CA.

Please keep me
informed when the
license for this
station is up for
renewal and/or what
actions you plan to
take to make this
station and the
broadcast group that
owns live up to its
responsibilities to
use the public
airwaves.

Thank you.
